Our Intimate Evening Gala with

The Nylons

Raised \$19,400 for CRC!

On October 6 balmy fall weather welcomed **The Nylons** - Claude, Gavin, Tyrone and Garth – to our community! They were also welcomed with high energy by a packed house of fans. They performed as we had all dreamed them, and then they stayed around mingling, as we had wished, with everyone, signing the CD's that had leapt off the table. The Nylons donated their services at the request of John Cripton who had worked with them in the 1990's. How lucky for CRC!! Thank you John!

The Nylons dedicated one of their songs to CRC – You can listen here! [*The Amazon*](#) - “We've got to buy back the Amazon, We've got to give the earth a chance to carry on, Make no mistake, when it's gone it's gone...” It was a moving moment for everyone!

The Nylons were the jewel of the evening – but the setting was no less sparkling – We'll tell the story here in two parts – first, “The Nylons – the video” with photos by Rockwood's Shari Lovell who gave hours of her time to catch the memories, and then through our thanks which will describe the nature of the generous gifts which made the evening so much fun!
