

REPORT ON...

The CRC Fund-Raising Whirl that was September!

October 28, 2015

Dear CRC Supporters,

Since Guelph Eramosa Township's October 7th announcement that Council will oppose the Hidden Quarry application as it now stands, there's been a short but welcome lull in urgent meetings and events.

Between that moment and the November 9 Pre-Hearing Conference of the OMB, we have a happy opportunity to review our CRC September events and to thank everyone:

Organizers, Volunteers, Donors, Sponsors and Attendees all.

Our three major September fund-raising events – Second Annual Golf Tournament, Bike and Hike Rockwood and Around the Greek Table – raised:

CRC net revenue: more than \$10,000.

These funds are essential to making the best case possible for defeating the Hidden Quarry proposal at the OMB.

Let's applaud all the organizers!

***Let's also send special thanks to our volunteers and to
CRC Volunteer Wrangler Extraordinaire,
Alix Mabee.***

80 Volunteers made these events possible, happy and successful!

Be sure to tell Alix you are available to volunteer too!

Now a CRC event veteran, **Gail Stevens** organized the **Nine 'n Dine Golf Tournament** at Turtle Creek Golf Club for the second time. With a team which included

the good cheer of **Linda Skoropad** and the high energy of **Jerrie Schummer**, the event inspired:

1. Twice the number of attendees;
2. Hole sponsors for the first time;
3. Three times the number and value of silent auction items; and
4. Even more boisterous good spirits in spite of late afternoon rain.

Bill and Joyce Hill's son, **Will Hill**, was this year's MC extraordinaire and very effective silent auction whip. The beautiful **Turtle Creek Golf Course** (Guelph Line just south of 20 Sideroad) was the event's generous sponsor and host.

Huge thanks to the whole **Stevens Family!**

Prize Winners: Golf tournament prizes went to John Archibald's and Ian McKelvey's foresomes.

CRC's **First Annual Bike and Hike Rockwood** event, organized by **Jerrie Schummer**, was blessed with the perfection of an autumn morning in September.

Cyclists left the **System Fencing** parking lot, on Highway 7 right across from the proposed quarry site, to pedal up and down Nassagaweya and Eramosa rural roads; hikers disappeared into (and did reappear from...) the Radial Line Trail forest off 5th Line and over Blue Springs Creek on a route recommended and guided by CRC volunteers **John Fisher** and **Denise Keats**. Everyone was grateful to have this beautiful moment to savour our priceless environment and to get to know more neighbours while supporting CRC.

AROUND THE GREEK TABLE

Around the Greek Table, organized by **Marci Boecking**, took place in Eden Mills Community Hall. A full and buzzing house of CRC supporters, friends and neighbours

shared an enchanted evening and a cornucopia of wine and food flavours drizzled in Greek sunshine and high spirits. The Three Greek Sisters welcomed us while a skilled and charming team of high school students served us, thanks to their teacher, CRC supporter Lars Skjold. Marci Boecking, looking every inch a Greek goddess, hosted the evening.

Big Greek Thanks to:

- The Greek Sisters, **Betty, Eleni and Samantha Bakopoulos**, who generously supported this event to assist in CRC's fund-raising;
- Kostantinos Rampaounis of **Kolonaki Group** who supplied and presented generous servings of the 4 wines for four courses;
- **Chef David Bazinet, and sous-chef Dave Leroy**, who prepared the meal, assisted by CRC volunteers Lars Skjold and Nick Assad.
- Dora Tsagias of **Tithorea's** in Guelph, the best Greek olive oil and all things Greek vendor in Guelph.
- Eden Mills artist, **Janet Wilson**, who created paintings just for the event and generously donated her sales revenue for the evening.
- **Paul Smith** who spoke eloquently on the reasons to support CRC!
- **And more sponsors:** Drumlin Farm, Greenscape Nursery

Samantha, Betty, Kostantinos, Eleni, Marci

THANK YOU EVERYONE!
