- Accessible
- Upon request:
 - Guelph Transit tickets
 - Funding for childcare

Quarries are topics that affect everyone in the Guelph community and beyond. They place significant pressure on local water resources as well as aquifer health. In addition quarries pose a variety of challenges for human, animal and environmental stability. Join us for a discussion on some current challenges, campaigns and legislative oversight with respect to quarries and aggregate extraction in Southern Ontario.

PANELISTS:

Carl Cosack - NDACT, Melancthon Mega-Quarry

Leigh Fishleigh - Wellington Water Watchers, Guelph

Doug Tripp - Concerned Residents Coalition, Rockwood Hidden Quarry

Graham Flint - Gravel Watch Ontario
