CRC Grassroots at Work!

CRC is raising funds for the 2017-18 OMB Hearing. Some of our supporters have launched projects of their own to supplement donations. Here are some examples of DIY fund-raising.

OMB REMINDER: 

We're starting again! The first Pre-Hearing Conference is on Thursday, November 2 at 10 am at GET offices. Plan to attend if you can!

Rockwood Licence Plate Frames!

One CRC supporter came to us with an idea – and an offer. He would donate 500 “Rockwood Proud” licence plate frames which could be sold for the benefit of CRC. They cost just \$10. Rockwood businesses have volunteered their help too. **Buy yours at:**

- **Rockwood Home Hardware**
- **Café Eramosa**
- **Remax Connex**

Last week frames were on sale at the Rockwood Farmers’ Market – Ann Kirwin, former owner of Rockwood’s well-remembered and loved Hog Hill, added one to her basket of market delights! If you live in Rockwood, tell your neighbours! **Why not pick up a few and actually sell them in your neighbourhood?** Let’s put Rockwood on the map!

Yoga in the Park!

All last summer people stretched themselves into yoga poses orchestrated by Leanne Monaghan, the owner of Staying Alive Fitness. Leanne donated some of the revenue from this popular summer program to CRC! Vice-President Perry Groskopf received a cheque for **\$500** from Leanne on Monday.

Staying Alive Fitness is CRC’s Acton hub for the petition and for lawn signs! It’s at 11 Main Street north, just north of the lights in Acton. You’ll feel fit just by dropping in! Head Personal Trainer Adam Andrews is strong enough to lift our sign, with Perry’s help!

Thank you Staying Alive Fitness for your generous support!!

Facebook Sales!

Several CRC supporters have raised funds for CRC by posting items for sale on local Facebook pages with proceeds going to CRC. – Results have been consistently good, raising each time small amounts which are adding up!

Why not join in? Just post your item and photo to your favourite selling and networking groups. Here’s one example of possible wording:

Selling a _____. This is \$___ new and is only ___ years old. Perfect working order. Price is a \$___ donation to CRC to fight the Hidden Quarry application in Rockwood. At the upcoming OMB hearing, we will need money for lawyers and expert witnesses to present our scientific evidence that points out the negative impact that the opening of this quarry immediately adjacent to Rockwood would have on the environment, water quality, road safety, and also the lowering of your home values. PM if interested. You can make a one- time donation to CRC, or sign up as a member. <http://sg.crockwood.org/donate/> I can also accept cash and pass on your donation directly to CRC.

Working together, we will win at the OMB!
