New campaign manager welcomed

To the Editor,

In the November 1 New Tanner, I read that Mike Balkwill had been hired as the new campaign manager for Rockwood's Concerned Resident's Coalition. I had the pleasure of working with and learning from Mike in 2006 in Brampton. Our group of concerned citizens

opposed a proposal to build and operate an incinerator for "low level" radioactive waste in the heart of our city and the GTA.

Like Dan Kennaley from the CRC, our group wondered why ordinary people had to raise money, hire experts and fight our own government to protect our environment.

We hired Mike Balkwill. He helped us focus our efforts, develop effective strategies and keep our group of volunteers cohesive and motivated.

We opposed this proposal and we won. Thank you again Mike.
