## SATURDAY 11<sup>th</sup> May, 11:30–1 p.m.

Meet at St. John's Church Green at 11:30 and we'll walk through Rockwood up to the Water Tower. Bring a sample of your drinking water and add it to the common pitcher as a symbolic act of solidarity with your home and environment.

Did you know that your water comes from wells like Rockwood's new municipal well #4 off Ridge Road? If JDCL's quarry goes ahead, the aquifer that supplies so many local wells could become contaminated. Help us stop this from happening!

**Join the Walk. Stop the Quarry. Save the Water!**

**2018/19 CRC Fund-raising Goal: \$350,000**

Your financial contribution is essential for retaining legal representation and expert witnesses to make a winning CRC case against the Hidden Quarry at the Local Planning Appeals Tribunal (LPAT, formerly OMB) in May 2019! [www.hiddenquarry.ca](http://www.hiddenquarry.ca)
