Jane Siberry

'Angels Bend Closer' ... is a tremendously rewarding, enchanting and uplifting listen. It re-establishes Siberry as one of the great singers and songwriters of our lifetime.

Keith Creighton, PopDose

Iconic and enigmatic; Jane Siberry is one of the world's most unique and gifted singer/songwriters. Blessed with a sincere integrity and emotional depth, her work has spanned 4 decades, with the release of 14 studio albums and performances on concert stages around the world.

Her 1985 album *The Speckless Sky* was a huge critical and commercial success and the follow up albums *The Walking*, *Bound By Beauty*, *When I Was A Boy* and her signature song *Calling All Angels* cemented her status as one of the world's foremost performance artists. Jane's recent album *Angels Bend Closer* has been released to rapturous acclaim. A Canadian native, Jane's songs have been covered by numerous artists, with particular success by k.d. lang on her stunning renditions of *Love is Everything* and the 23rd psalm-inspired *The Valley*.

She is recognized as a forward-thinking artist, using her creativity both in song and in how she operates in the music business. She was one of the first to setup 'self-

determined transactions' (otherwise known as 'pay what you wish') on her website. Preferring to create without grants or fundraisers (though she had a very successful one for her last recording), she continues to explore coaching, webinars, online fashion stores and passive income streams in order to 'keep the joy up' and remain aware that 'it is a privilege to be a musician'.

Jane was on tour for 7 months from November 2018 until June 2019 in Canada, UK, Australia, New Zealand, Europe and the USA performing in formal concert halls and living rooms with her unique style and enthusiastic aplomb.
