

The Sun Shone on CRC's 3rd Annual Christmas Market!

Last Sunday, November 17, the CRC Community burst back into life at the 3rd Annual Christmas Market. Volunteers and shoppers both made the day into a happy reunion and a delicious harbinger of the Christmas Season to come!

The buzz of conversation, the glitter of brightly wrapped baking and decorated greens, the pies and soups and rolls on offer – What a lovely day to spend together.

The Market was, of course, also a fund-raiser, and it succeeded by adding another \$6300 to our coffers in sales and donations, as well as serving as a clearing house for hundreds more dollars from our ongoing cookbook sales, bottle returns and newly launched [Christmas Carol Reading](#) ticket sales which sold briskly.

By the end of the day the tables were bare!

The **Market Draw** for three unique prizes - a special edition gingerbread Christmas train, a hand-crafted quilt and table runner with napkins - will also be offered at the Christmas Carol reading on December 8. The draw for the winners will take place that night. Winners will be contacted directly.

Thanks to all who attended! Thanks to St. John's Anglican Church and Mike Fife for welcoming us into the Parish Hall!

Big thanks to volunteers!
